NRO REVIEW COMPLETED

TO: COMMANDER FOR : Chief, Missile and Space Systems Division
Directorate of Budget, USAF

ATTENTION : Mr. Louis C. Meyer

SUBJECT : Authority to Obligate Air Force Funds
Fiscal Year 1963

1. Pending a complete review of the Fiscal Year 1963 program funding requirements for Air Force funding support of Projects INBALIST, MILITAR, [Redacted] and CORONA (INBAL/LIST/AMCOR) and a determination of funding transfer procedures, it is requested that approval be granted for the CIA Contracting Officer to obligate Air Force funds in advance of their actual receipt or transfer to the Agency.

2. The following are current estimates of total fuel requirements for FY 1963 and the amounts requested for advance obligation:

a. INBALIST

25X1A

- (1) Estimated total requirement

3. In summary, approval to obligate in advance of receipt of funds a sum of [redacted] is requested. In the event it is determined to transfer these funds by Form 1030, it is suggested that the 1030's be issued in the individual program amounts set forth above.

4. By concurrence in this memorandum, the Chief, Missile and Space Systems Division Directorate of Budget, USAF, certifies that sufficient funds are available in the USAF Budget to cover the requested advance obligations and will be made available to this Agency upon determination of procedures for their transfer.
